FYI – contacted the help desk early this a.m. The request had to be escalated to a higher authority. Am still waiting for them to get back to me to let me know the date has been removed.

Hello Judith,

This FOIA was sent to R2 on perfected status – it should not have been as this involves the ediscovery process which can take months to produce. Can you have the OEI contractors remove the perfected status to a “no” since it was HQ that made this determination?

Wanda and/or Karen – FYI – a fee waiver not billable letter has been sent to the requester.
